Secret Service agents rushed former President Donald Trump off the stage after he fell to the ground at a rally in Butler, Pennsylvania.

Loud bangs were heard before Trump fell. Agents then helped him stand, and he had blood on his face. He was yelling back to the crowd and raised his fist. He was then taken to a vehicle and evacuated from the scene.

This is a breaking story and will be updated.

This happened near the Jesuit-run Pittsburgh Steelers organization.

Today is 211 days before the Super Bowl (47th prime).

The Steelers won the Super Bowl in the 60th NFL season, and the 60th US Presidential Election is upcoming (**Donald Trump=60**).

The 1979 NFL season was the 60th regular season of the National Football League.

1979 NFL season - Wikipedia

The 60th season was the 79 season (this shooting is connected to 79).

The **1979 NFL season** was the **60th regular season of the National Football League**; the season ended with Super Bowl XIV when the Pittsburgh Steelers repeated as champions by defeating the Los Angeles Rams 31–19 at the Rose Bowl. The Steelers became the first team to win back-to-back Super Bowls twice.^[R]

Draft ^[edit]

The 1979 NFL Draft was held from May 3 to 4, 1979, at New York City's Waldorf Astoria New York. With the first pick, the Buffalo Bills selected linebacker Tom Cousineau from the Ohio State University.

The Super Bowl was won on Pope Francis's 43rd birthday (Football=43).

That Steelers beat Los Angeles, and RFK was 3rd in LA (Holiday).

That Super Bowl, Super Bowl 14, was played at the Rose Bowl.

Tonight, in UFC, the main event has a young woman named Rose, and she is the headliner.

She is facing a woman fighting exactly 43 weeks after her last fight, and Rose is going for her 14th win, and the fight is in Colorado (the 38th state), like how Trump got back on the ballot in a big 38 & 43 ritual(Colorado=38 & 43) (Election=38 & 43)(43, 14th prime number). You'll recall it had a lot to do with the 14th Amendment, and again, Rose is fighting for her 14th win, 14 days after her birthday.

Also, you'll recall that Colorado court room suffered a shooting 44 weeks before the election (Shooting=44, today, 44 date num.).
